

Technical drawing of a stepped profile with dimensions in millimeters (mm). The profile consists of several horizontal segments of different lengths. The dimensions are as follows:

- Top segment: 500 mm
- Second segment: 615 mm
- Third segment: 1290 mm
- Fourth segment: 35 mm

The vertical steps are defined by the following dimensions:

- First step: 360 mm
- Second step: 140 mm
- Third step: 600 mm
- Fourth step: 620 mm
